Quality Standards

“Subasri Textile is committed to deliver quality products within the stipulated lead time and we are also able to do the quick turns.”

Quality / Mission

“Our mission is to consistently ensure that our services provide the customers utmost satisfaction and great comfort level in terms of quality, follow-up and delivery.”

It is the policy of Subasri Textile to enhance satisfaction of its valued customers by supplying knitted garments of agreed specifications in time, adhering to effective quality management system and reviewing Quality objective periodically involving employees at all levels of continual improvement.,

Quality Management

“The Management is committed to providing and maintaining a quality management system which meets all the requirements of ISO. Meeting the needs and expectations of our customers are our customer and maintaining the company’s reputation and standing in the market place.”

Quality Workmanship

“Being a quality driven company, we lay massive emphasis on the quality of our garments. Our garments are noted for their quality workmanship. We ensure that the fabric is of the finest quality. A lot of emphasis is laid on the designs, color and strength of garments. ”

Quality Standards

“Style is as important as quality is significant. All our products are subject to in-house scrutiny for multiple times. The scrutiny begins from the receiving of raw materials. The raw materials procured from outside are checked thoroughly by the experts to determine the parity between their quality standards and ours”

SUBASRI TEXTILE implements many eco-friendly methods in its production processes. We always seek to provide our customers The Best. That’s why to ensure the Factory compliances, Certification and social compliance audits, Our Team Perform Un-announced audits of all sort to keep an eye to factory Compliances / social Responsibility and their safety / health and environ standards as well as documents procedures are in order or not.

Social Care

We believe in giving back to communities through donations and by volunteering their time with children to make them knowledgeable; create positive learning environments to help them become better citizens for tomorrow. This helps the children and their families achieve a brighter future. The team has association with a couple of NGO's and schools to make this program successful.

Subasri Textile planet takes equal pains to create intangible gains like generating goodwill and giving back to society, be it through fair trade practices or special care for the environment. The team follows a clear set of practices concerning human rights, the reduction of pollution linked to its various activities and solidarity with those in need.
